OVERVIEW

- Survey Plan Overview
- Plan Recommendations

Survey Plan

A survey plan is a process through which a community or resource owner comes to understand the character and utility of past surveys that have been completed and plan for and prioritize future survey work that needs to be done.

Survey Plan

- Prioritized recommendations for future survey
- Does not include full surveys of properties
 - Focused reconnaissance level surveys on mid-century modern multi-family developments.

Parkway Apartments, Eugene Sternberg

- Inform future preservation efforts
 - Citywide preservation plan
 - Littleton Legacy List
 - Future local designations

Survey Plan Recommendations

Phase I (Year 1) – GIS Integration and Database Creation

Phase II (Year 2)– Intensive Survey of Multi-Family Housing

Phase III (Years 3-6)– Single-Family Residential Survey

Phase IV (Years 7-10) – Update and Integration
