Study Session

Study Session Topics

- a) C+B Trail and SPP Signage
- b) Construction defects ordinance discussion
- d) Charter Review discussion - review recommendations to council on proposed charter revisions

After the video recording had ended, Councilmember Stein requested advice on reconvening the study session for the purpose of directing staff on possible charter amendment ordinances. Based on advice from Deputy City Attorney Schledorn that the item be handled at the November 18, 2014 meeting instead, the study session was not reconvened.

I hereby certify that I have reviewed the video recording for the November 11, 2014 study session of the Littleton City Council and that the video recording is a full, complete, and accurate record of the proceedings and there were no malfunctions in the video or audio functions of the recording.
