

OUTSIDE REFERRAL AGENCY MATRIX

PROJECT: Prince 10 Subdivision Filing No. 1

CASE NO. MIN17-0005

DATE REFERRALS SENT: June 13, 2017

AGENCY	DATE RECEIVED	COMMENTS
CenturyLink	July 11, 2017	CenturyLink requested further information regarding the proposed placement of their utility box within the rear easement area, to determine if they would be able to access this area for service. Staff provided the site development plan and CenturyLink provided email correspondence indicating that the revised plat satisfies CenturyLink's concerns.
Comcast	NA	No response
Denver Water	June 22, 2017	Denver Water provided standards for new/upgraded service to the property but otherwise did not provide any comments regarding the final plat. Additionally, a will-serve letter was provided by Denver Water to the developer and was included with the original application.
Xcel Energy	March 14, 2017	Xcel Energy provided a will-serve letter to the developer of the property, and this letter was included in the original application. No other comments were provided by Xcel.
Littleton Public Schools	NA	No response
South Suburban Parks and Recreation District (SSPRD)	June 29, 2017	South Suburban Parks and Recreation District responded to this referral, but did not have any comments on the final plat.
Arapahoe County	NA	No response
