Littleton City Council
Mayor Jerry Valdes
2255 West Berry Avenue
Littleton, CO 80120

Dear Mayor Valdes:

Each year, the Arapahoe County Board of County Commissioners reviews and approves the membership of the Arapahoe County Community Corrections Board (ACCCB).

The bylaws of the ACCCB give the Littleton City Council the authority to recommend a representative from the City of Littleton to serve on the ACCCB.

The City of Littleton has always been a valued member of the ACCCB, recognizing and understanding the needs of the criminal justice system, local government, and community. Please send your recommendation for the 2020 representative of the City of Littleton to the Arapahoe County Board of County Commissioners via my office as soon as possible. If you have any questions, please do not hesitate to contact me at 720-874-3360.

We thank the City of Littleton for its continued support of the ACCCB.

Sincerely,

Brad Kamby
Judicial Services Division Manager
