4. Lessee shall use the Leased Property as a dryland farm or for livestock grazing (as approved) and for no other purpose whatsoever, and especially will not let or permit the Leased Property to be used for any other business or purpose whatsoever.
5. Lessee shall be responsible for all costs and expenses associated with use of the Leased Property as a dryland farm.

Lessee shall, at the expiration of this Lease, or upon a breach by the Lessee of any of the covenants herein contained, or upon cancellation of the lease as outlined in paragraph 14, without further notice of any kind, immediately quit and surrender the possession and occupancy of Leased Property in as good condition as careful use and natural wear and tear thereof will permit.

12. All goods and chattels, or any other property used or kept on the Leased Property, shall be held for the rent or damages under this Lease, whether exempt from execution or not, meaning or intending hereby to give the Lessor a valid and first lien upon any and all goods and chattels, crops and other property belonging to the Lessee.

13. Lessee shall cultivate around any structures or facilities on the Leased Property.

14. The Lessor reserves the right to immediately cancel the lease during any term for any of the following reasons, each of which are deemed a breach: (a) if the Lessee should take any action or fail to take any action that threatens the Lessor's interest in the Leased Property, including the violation of any environmental laws, rules, regulations or standards; (b) if the Lessee is not farming the Leased Property at all or not farming in a manner that constitutes good farming practices, in accordance with generally accepted farming practices and the Colorado State Extension Service; (c) if the Lessor is no longer utilizing the Leased Property for the production of crops. If the Lessee has incurred expenses for growing a future crop before receipt of the notice, or if the Lessee fails to harvest

Lessor also reserves the right for itself, its agents and its designees, including other government officials, to enter and to have access, at all reasonable times during the term of this lease, to the Leased Property for the purpose of sampling, application, monitoring, testing, screening, mapping, plotting or doing any other procedure, task or function deemed necessary by Lessor, including, but not limited to, inspecting the Leased Property and to make such repairs, additions, or improvements as Lessor may deem necessary.

17. It is understood and agreed that the Lessor reserves the right to cancel this lease at its sole discretion. Should Lessor elect to exercise its right of cancellation without breach by the Lessor, it may do so by written notice addressed to the Lessee at the address of the Lessee provided in this document, on or before October 1, prior to the anniversary date hereof, in which event this lease shall be terminated effective on the anniversary date (January 1) and neither party shall be entitled to further payments or damages as the result of said termination except for any payments due and owing at the time of cancellation.

18. All payments from the Lessee shall become due and payable upon forfeiture of said Lease, or upon abandoning said Leased Property. If Lessor must bring action at law to recover possession, damage or rent, the Lessee agrees to pay a reasonable attorney's fee therefore, and all costs attending the same.

19. Lessee shall indemnify, defend and hold harmless Lessor and its successors, assigns and representatives from and against any and all damages, claims, losses, costs, liabilities, and expenses of any kind whatsoever (including but not limited to reasonable attorney fees) which may be asserted against or suffered by Lessor or the Leased Property or any part thereof, as a result of, on account of or arising from (i) any breach of any covenant, representation; promise, warranty or agreement made by Lessee, or (ii) injuries or damages to person or property resulting or alleged to result from any fault or negligence of Lessee or his agents or employees, or from the possession, use, occupancy, or maintenance of the Leased Property by Lessee, his agents, employees, or affiliates.

20. Lessor reserves the right to sell, contract to sell, or grant easements or rights-of-way over, through, under, or on, the Leased Property at any time during the term of this lease, subject to the rights and interests of the Lessee hereunder.
