

Littleton Boulevard Subarea Plan: Stakeholder Working Group Member Selection

Zareen Tasneem, AICP
Senior Planner

November 10, 2025

“It’s 2050 —
what do we
want Littleton
Boulevard to
be known for?”

WHAT IS A SUBAREA PLAN?

- Subarea plans are detailed plans prepared for smaller geographic area within a community.
- Areas can encompass neighborhoods, corridors, downtowns, or other types of special districts that show cohesive characteristics.
- Include greater level of detail than a comprehensive plan but deal with many of the same topics.
