

Traffic Calming on Windermere south of Ridge Road Petition

For safety and traffic calming purposes the Windermere Street neighborhood is proposing traffic calming measures on S. Windermere Street. These measures include traffic circles at the south intersection of Southridge Way and Windermere, and at the intersection of Davies and Windermere.

The proposed traffic circles and over all traffic calming has been developed and analyzed in conjunction with Charles Bolsten and Tim Weaer from the City of Littleton. Both are in the traffic safety and public services side of The City of Littleton. Prior to presentation to the city council, your input is required.
