CITY OF LITTLETON, COLORADO

Resolution No. 30
Series, 2025

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LITTLETON,
COLORADO, OPPOSING HB 25-1056 “LOCAL GOVERNMENT
PERMITTING WIRELESS TELECOMMUNICATIONS FACILITIES”**

WHEREAS, for a century, the State of Colorado has committed both in statute and in the state constitution to the local control of land use planning and zoning because local governments are closest to the land and to the people that occupy it;

WHEREAS, House Bill 25-1056 would preempt local governments authority to permit land use and building applications in our jurisdictions by deeming them approved if certain deadlines are missed; and

WHEREAS, House Bill 25-1056 seeks to confer a special status on a certain business class not enjoyed by other applicants who have submitted permitting applications sooner; and

WHEREAS, House Bill 25-1056 could divert staff time or lead to increased expense to addressing the special status conferred on telecommunication companies to ensure deadlines and procedural requirements were met; and

WHEREAS, House Bill 25-1056 could cause unneeded expense and delay in the permitting of other projects.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF
THE CITY OF LITTLETON, COLORADO, THAT:**

Section 1. The City of Littleton opposes House Bill 25-1056 Local Government Permitting Wireless Telecommunications Facilities.
