RE: Letter of Support – Ordinance No. 12-2026

Honorable Mayor and Members of the City Council,

I regret that I am unable to attend the two upcoming City Council meetings on this topic; however, I want to express my appreciation for your continued support and collaboration on fire and life safety efforts in the community.

South Metro Fire Rescue is providing a letter of support for Ordinance No. 12-2026, which modernizes the City's fire prevention code to align with current standards, strengthen community safety, and remain consistent with our partners in the Building Department and prevailing building codes.

Thank you to the City Council and City staff for your ongoing partnership throughout this code adoption process. Your commitment to maintaining effective, consistent, and coordinated safety regulations is invaluable, and we are grateful for the strong working relationship between the City and South Metro Fire Rescue.

Please feel free to reach out if you have any questions or need additional information.

Respectfully,

Tyler Everitt
