

CITY COUNCIL RETREAT CONTINUATION DISCUSSION

Jim Becklenberg, City Manager

APRIL 7, 2026

RETREAT CONTEXT

- Annual retreat for strategic planning and Council team-building, February 27/28
- Saturday session abbreviated due to site evacuation
 - Draft workplan developed, based on existing Council priorities
 - Planning and priorities discussion left unfinished
- Staff requesting additional discussion of workplan timing and future priorities for 2026 and 2027
- Based on Council majority preferences, staff to develop options for further discussion at April 28th study session

INITIAL BRAINSTORMING FROM RETREAT

- Accelerate planning for Geneva Village
- Accelerate consideration of lower speed limits and/or default speed limits in residential areas
- Reduce the number of lanes on Littleton Boulevard
- Consider “single staircase” building code amendment
- Undertake a citywide Historic Preservation Plan before 2028
