Council Member Stillwell – Enjoyed the council retreat this weekend. Recognized Lee Stillwell, his dad, for attending the meeting; he regularly watches from Tampa, FL.

Council Member Grove – Is hosting a resident meeting this Saturday (March 7) at 10:00 a.m. at the Littleton Museum. Attended the CML policy meeting last week; talked about several bills including one which would prohibit law enforcement from wearing face masks, and another which would include harsher penalties for road racers. Attended a brand launch event at Hudson Gardens. Enjoyed the council retreat and meeting with City of Boulder council. Along with Mayor Pro Tem Member Peters, met with South Suburban to discuss water supplies and conservation.

Council Member Reichardt – Made a social media post about an epic weekend talking about transportation infrastructure. A lot of good work was done over the weekend at the council retreat. Recognized the good work and collaboration of council regarding the boards & commissions interviews and appointments. Thanked everyone who applied, noting there were more applications than open spots.

Council Member Zink – The council retreat and boards & commissions interviews went well; regrets not being able to appoint everyone interested. If anyone listening wasn't selected, please keep applying. The retreat was a nice opportunity to get to know council & staff better. Judged the Regional Mock Trial Competition and Littleton High School won! Attended the Cycling Without Age Littleton appreciation dinner and it was amazing to hear their results for the year.

Council Member Henderson – It has been a full two weeks for council! Boards & Commissions interviews were scheduled in 10 minute increments, and council interviewed 35 candidates in two days. Enjoyed and learned a lot at the council retreat.

Mayor Pro Tem Peters – No report

b) Mayor

Thanked all board & commission applicants for their time and energy. Thanked the city clerk for all her work on organizing everything for those interviews. The retreat was a great event to learn to work as a group and with staff. Some of us attended the Business Chamber luncheon last week which was a good event. This Thursday he's going to the Metro Mayor's Caucus and that evening attending Representative Crow's event. Reminded everyone that Daylight Savings Time is coming on March 8.

c) City Manager

Thanked council, and staff, for the retreat this weekend. Looking to complete what didn't get completed. There will be a study session on April 28 to follow up on items that were discussed at the retreat.

Monitoring state legislature for bills that may affect the city. There is a "lot splitting" bill that could allow for anyone with a 2000 or more square foot lot to subdivide it. Will continue to monitor and provide updates on bills.
