Re: Radio System Usage Fee Increase

To Whom It May Concern:

This letter is to notify you that starting January 1, 2020 the fee for usage of the Arapahoe County owned portion of the statewide Digital Trunked Radio System (DTRS) will increase to \$50.00 per radio per year. You should expect to receive the invoice reflecting this increase in February of 2021.

Along with this letter please find the Amendment to the Intergovernmental Agreement reflecting the fee increase. Please sign and return to Robin Frazee (RFrazee@arapahoegov.com) by November 25th, 2019. Email return is appropriate. An executed copy of the amendment will be sent to you when available.

Please submit questions to the Arapahoe County Sheriff's Office Support Services Telecommunications Supervisor, Matthew Jackson (mjackson@arapahoegov.com).

Thank you for your continued usage and support of the statewide DTRS.

Sincerely,

Matthew H. Jackson
Telecommunications Supervisor
