

TO: City Council
FROM: Steve Kemp, City Attorney
RE: Fire Pre-Inclusion Agreement
DATE: March 8, 2018

Please find attached a "Draft" version of the Pre-Inclusion Agreement between the City and South Metro Fire Rescue. Please understand a number of the provisions in this "Draft" are still under negotiations between myself and the attorney for South Metro Fire Rescue. These provisions may be different in the "Draft" that will be placed on first reading at the April 3 Council Meeting since the language could change with the negotiations.

However, this draft will provide you with a basic understanding of the concept of pre-inclusion and it is important to understand because it is the foundational document for all the other documents to come.

I look forward to discussing with you next Tuesday at Study Session.
