## **PETITION/OPINION POLL PROCEDURE**

1. Under the direction and control of Oedipus, Inc. management, the Oedipus, Inc. employees were briefed on the application.
2. The employees carried a clipboard with the following:
  - A. Two maps of the area denoting the proposed location of the license and the boundaries of the defined neighborhood;
  - B. Petitions allowing individuals contacted to indicate their opinion with instructions and qualifications for signing;
  - C. A stat sheet to record the opinion of those not signing and not-at-homes.
3. Business and residential petitioning was performed on 11, 12, 13, 15, 21 and 23 May 2018 within the neighborhood defined by the City Clerk's Office of Littleton (see maps).
4. The circulation packets have cover maps, and the areas in which each petition circulation/polling took place are outlined in highlighter. Included in this Report is a master circulation map outlining all areas where circulation/polling was conducted.
5. Individuals were contacted on a random sampling basis, were screened to identify them as parties in interest, and were asked their opinion after they had been informed of the applicant, site location, and type of license being applied for. Their opinion was either recorded on the petition format or on the stat sheet.
6. Management of a mobile home residential community located southeast of South Santa Fe Drive was contacted which did not allow petitioning. This area is highlighted in green on the attached map.
7. Three (3) petition packets (one packet representing businesses, two packets representing residences), together with a Summary Letter and this Report were prefiled with the office of Ms. Colleen Norton, Deputy City Clerk, to comply with the prefiling deadline.
