

# Downtown Littleton Design Standards

Resolution 07-2019

January 15, 2019

Michael Sutherland, AICP, Planning Manager

# Requested Council Action

- Does city council support ratifying planning commission's approval to expand the boundary of Subdistrict 3, of the Downtown Littleton Design

# Process

- Planning Commission role is to adopt design guidelines
- City Council role is for ratification of the commission's action

# Background

- *Downtown Littleton Design Guidelines and Standards* updated last summer into the *Downtown Littleton Design Standards*
- Planning Commission passed PC Resolution 35-2018 to expand the boundary of Subdistrict 3
- Expansion of Subdistrict 3 further aligns the Downtown Design Standards with the Downtown Neighborhood Plan and 2014 Citywide Plan

# Council Action

- Ratification of PC Resolution 35-2018, to expand the boundary of Subdistrict 3 in the Downtown Littleton Design Standards
