Re: Request Partnership for an Arapahoe County Open Spaces Grant for the Options
Secondary at Whitman Playground Renovation

Dear Mr. Relph:

Littleton Public Schools is respectfully requesting a partnership with the City of Littleton to apply for an Arapahoe County Open Space Grant for the playground renovations at Options Secondary at Whitman School.

The playground functions as a community park space when school is not in session and is used by family members of Littleton Soccer and South Suburban Parks & Recreation athletic leagues. The playground renovation would be an addition to Euclid Middle School since Options and Euclid share common space, supporting over 900 students and the Littleton community.

We are requesting \$50,000 as a cash match from the City of Littleton to meet the 25% requirement for the renovations projected to be \$398,034. LPS will commit a match of \$50,000 needed to meet the 25% cash match for the grant.

Attached are the plans and budget.

We respectfully request your support.

Sincerely,

A handwritten signature in dark ink, appearing to read "Robyn Zagoren", is written over a horizontal line.
