Pre-App Meeting Date: Pre-App Meeting Planner: Karl Pre-App Meeting Engineer:

This application shall be submitted with all applicable application fees and submittal requirements. Incomplete applications will not be accepted. Submittal of this application does not establish a vested property right. Processing and review of this application may require the submittal of additional information, subsequent reviews, and/or meetings, as outlined in the City of Littleton Municipal Code and operating standards. A neighborhood meeting is required for all applications that require a public hearing. After three (3) months of inactivity, a reminder will be sent to applicants that action is required within the next thirty (30) days. At that time, the case will be closed.

VARIANCE REQUEST FORM

PLEASE NOTE: The following questions must be answered completely. If additional space is needed, attach extra pages to the request form. Contact the Littleton Community Development Department at (303) 795-3754 for clarification of terms or for specific zone district requirements.

I, the undersigned, do hereby request a variance from the City of Littleton Municipal Code as set forth in Section 2-3-1 and Section 10-11-2 of the Littleton Municipal Code and amended to date.

Applicant/Owner Name: <u>LISA CROSTON CUSTOM LIGHTED SIGNS LLC</u>	
Applicant/Owner Address: <u>4240 VANCORDON ST STE 400 WHEATRIDGE, CO 80033</u>	
Subject Property Address: <u>1599 W LITTLETON BLVD</u>	
Legal Description:	
Current zoning of subject property	<u>B2</u>

PURPOSE OF THE VARIANCE (Be Specific): INCREASE SQUARE FOOTAGE FOR SIGNAGE. BUSINESS IS BEING REBRANDED. EXISTING MONUMENT SIGN ACCOUNTS FOR MORE SIGNAGE THAT IS ALLOWED CURRENTLY. REFACING OF MONUMENT WOULD NOT ALLOW FOR ANY OTHER EXISTING SIGNAGE TO BE CHANGED FOR REBRANDING.

What unique or exceptional characteristics of your property create a hardship for the variance?

☐ Shape ☐ Slope ☐ Soil ☐ Subsurface
☐ Elevation ☐ Too short ☐ Too narrow ☐ Too shallow
☐ Vegetation ☐ Buildings/Structure ☐ Other (Explain) _____

SITE CHARACTERISTICS:

1. What is the current use of the property?

GAS STATION

2a. What special conditions substantially restrict the effectiveness of the sign in question?

Explain: WITH REFACING OF EXISTING MONUMENT SIGN SQUARE FOOTAGE CURRENTLY ALLOWED WOULD NOT ALLOW FOR BUILDING, GAS CANOPY OR PUMP TOPPERS TO BE CHANGED TO CURRENT BRAND.

2b. Are the special conditions particular to your business or property and not businesses in the area more generally? ☐ No ☒ Yes

Explain: SIGN CHANGES FOR NEW BRAND ARE NOT INCREASING NUMBER OF CURRENT SIGNS ON PROPERTY JUST REPLACING WITH SAME OR SMALLER SIZES WITH NEW BRAND NAME.

3a. Describe how the variance is not injurious to the neighborhood: SIGNAGE CHANGES WILL REMAIN SAME SIZE OR BE REDUCED IN SIZE.

3b. Describe how the variance is in harmony with the general purposes of this chapter (see section 10-17-2 of the Littleton City Code)

(B) Intent: By adoption of this chapter, the City Council intends to create and implement a comprehensive system for the regulation of signs within the scope of this chapter, with a regulation system that: 1) accommodates the expression rights of the First Amendment to the U.S. Constitution and the corollary provisions of the Colorado Constitution; and 2) comports with all applicable principles of Federal and State constitutional, statutory and administrative law.

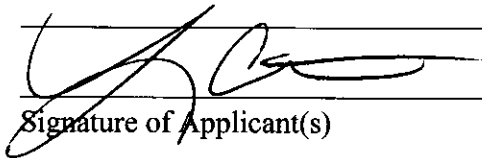

(C) Purposes And Interests Served: The purposes of this chapter include, but are not limited to: 1) serving the governmental and public interests in controlling visual clutter, protecting community aesthetics, and safety of drivers, passengers, and pedestrians; 2) aiding in the identification of properties, land uses, and establishments; 3) enhancing the general appearance and aesthetics of the urban environment; and 4) protecting the natural beauty of the City. (Ord. 16, Series of 2018)

4. How is the requested variance the minimum necessary to reasonably draw attention to the business or enterprise?

Explain why alternative solutions are not feasible:

WE HAVE REQUESTED TO ONLY CHANGE EXISTING SIGNAGE TO
NEW BRAND IN SOME CASES REDUCING SQUARE FOOTAGE

I (we) certify that all of the above statements and the statements contained in any papers or plans submitted herewith are true and accurate to the best of my knowledge and belief.
