01

RECREATION, HERITAGE, AND TOURISM

Parks, open space, and recreation facilities are an essential part of a healthy and sustainable community. Parks, trails, and recreation facilities are integral parts of municipalities – and often among the public's favorite amenities. With its unique history and architectural heritage, appreciation for the arts, abundant open space, and many community events year-round, Littleton offers an array of amenities that appeal to all. All aspects of the Plan shape the livability of Littleton, but this section especially reinforces the enjoyment of these amenities.

LEGACY OF PAST PLANNING

- City of Littleton Parks, Recreation, and Trails Master Plan, 2016
- South Platte Park Management Plan, 2017
- South Platte River Corridor Vision, Arapahoe County, 2013
- South Suburban Parks and Recreation Master Plan, 2017
- High Line Canal Vision Plan, 2017
- High Line Canal Framework Plan, 2019

KEY ISSUES AND CONSIDERATIONS

- Threats to Littleton's historic legacy and architectural heritage, whether due to economic development or other factors, require preservation methods and tools.
- Concern over development encroachment, both physical and visual, on Littleton's preserved and desired for greater emphasis on the continuity and potential enlargement of linear green space.
- The need for more effective collaboration with partner entities that have responsibility for the management of Littleton's park and open space inventory (e.g., South Suburban Parks and Recreation, Hudson Gardens, etc.), and with the volunteers and entities that make Littleton's events and programs successful.
- Convenient and safe public access to parks, trails, and greenways within the city, especially separated from these resources by major roadways and other physical barriers.
- Ongoing appreciation and promotion of Littleton Museum and Benes Library as special public assets.
- Littleton's tourism appeal and its approach to accommodating visitors for leisure and business.

FRAMEWORK FOR ACTION

GOALS

- GOAL RHT 1:** Preserved and enhanced public green spaces that provide access to nature for recreation and play close to home, and continuous greenway connections within and through the city.
- GOAL RHT 2:** Continued protection and promotion of Littleton's heritage, especially where it is tangibly visible in historic architecture, designated districts and landmarks, and distinctive neighborhoods and buildings.
- GOAL RHT 3:** A healthy community with convenient access to recreational facilities and programming, outdoor fitness activities, and quality nutrition options.
- GOAL RHT 4:** A vibrant city for both residents and visitors, enlivened by an active downtown, an array of cultural and entertainment options both indoor and outdoor, and popular community events and festivals throughout the year.

02

POLICIES

In making decisions that involve public resource allocation, regulatory matters, and physical improvements, among others, Littleton will:

Policy RHT 1: Maintain close and mutually beneficial relationships with the South Suburban Parks and Recreation District, High Line Canal Conservancy, Hudson Gardens, and other key partners that enable Littleton residents and visitors to enjoy a large quantity of high quality recreational assets and public open space.

Policy RHT 2: Continue to build consensus on measures the City should consider and implement to:

- Preserve more areas and structures with historic character, and

- Protect designated and potential new historic districts.

Policy RHT 3: Prioritize public safety, including security while enjoying parks, trails, and recreation.

Policy RHT 4: Incorporate guidance and incentives for better design and integration of green and open space into development and sensitive design approaches on sites with historic character.

Policy RHT 5: Continue to plan for, and build as premier public facilities for the enjoyment of.

Policy RHT 6: Regularly evaluate the appropriateness and support to cultural arts and community events.

Policy RHT 7: Be sensitive to the perspective of the community.

- Develop awareness of the various ways popular locations and events, what they have to offer, and how they spend locally.

ACTIONS

Capital Investments

Action RHT 1: Utilize the project funding portfolio to maximize the leveraging of available objectives of the City and its multiple partners. High Line Canal Conservancy, Hudson Gardens, etc.

Programs and Initiatives

Action RHT 2: Develop an organizational structure and funding pursuits as detailed in the plan.

Action RHT 3: Improve access to parks and recreation, including media, etc.) to promote awareness of plans, programs, and services.

Action RHT 4: Track visitor utilization of recreation, cultural, state, and national tourism trends.

Action RHT 5: Continue to promote awareness through Historic Preservation Board activities.

Regulations and Standards

Action RHT 6: Evaluate the potential for dedicating contributions or other fees, as detailed in the plan.

03

Action RHT 7: Through the Historic Preservation Board and other forums, continue to build consensus on measures the City should consider and implement – regulatory and/or otherwise – for preserving more areas and structures with distinctive historic value and character, along with ongoing protection of previously designated places and identification of potential new historic districts and landmarks.

Partnerships and Coordination

Action RHT 8: Continue and enhance collaboration and partnerships with the many agencies, organizations and non-profits that provide and/or advocate for recreation, open space and other amenities in Littleton.

Action RHT 9: Promote the wellness of residents by collaborating with the Tri-County Health Department, other health advocacy and resource organizations and non-profits, Littleton Public Schools, and other partners, and market Littleton's many parks and recreation offerings as essential elements of an active lifestyle.

Action RHT 10: Continue to identify and collaboratively pursue methods to address missing links in the existing local and regional trail systems to improve access and connectivity to jobs, education, fresh food, and health care, among others.

- Improving High Line Canal Trail connections at Broadway is identified as one of seven transformation projects in the High Line Canal Conservancy Framework Plan.

Action RHT 11: Work with partners to promote multi-use trail etiquette, safety and education.

Action RHT 12: Engage volunteers and leverage their involvement to increase awareness, education, and use of park and recreation amenities.

Action RHT 13: Improve coordination of signage and wayfinding at parks, recreation sites, trails, and open space areas, and also within residential neighborhoods and commercial areas.

Action RHT 14: Continue to emphasize regional collaboration as the best means for enhancing the South Platte River corridor as both an environmental and community amenity.

More Targeted Planning / Study

Action RHT 15: Build on planning efforts for the South Platte River Corridor to clarify and integrate goals for this key community asset involving economics, aesthetics, recreation, and the environment.

Action RHT 16: Complete regular updates to the Parks, Recreation and Trails Master Plan, highlight implementation progress and successes – especially through partnership efforts, and continue to communicate Littleton's park, recreation and open space priorities to funding partners.

Action RHT 17: Lay the groundwork for preparing a holistic historic preservation plan and strategy for ongoing preservation efforts in Littleton, involving broad community engagement to gauge resident, property owner and stakeholder sentiment on the methods and extent to which the City should utilize available preservation tools.

- Use the City's initiatives to update its zoning and development regulations and pursue further downtown-focused planning as precursors to a historic preservation plan.

POTENTIAL PARTNERS

Partners for implementation of plan priorities related to Recreation, Heritage, and Tourism include:

- Neighboring jurisdictions and Arapahoe, Douglas, and Jefferson Counties
- Aspen Grove
- Colorado Tourism Office
- Denver Regional Council of Governments
- High Line Canal Conservancy
- Hudson Gardens
- Littleton Public Schools
- Scientific and Cultural Facilities District
- South Platte Working Group
- South Suburban Parks and Recreation District
- Tri-County Health Department

Targeted Planning / Study

Roles and Responsibilities

City Council

As the leader of plan implementation, the key responsibilities of the City Council are to decide and establish priorities, set timeframes by which each action strategy will be initiated and completed, and determine the budget to be made available for implementation efforts. In conjunction with the City Manager, the City Council must also ensure effective coordination among the various groups that are responsible for carrying out the plan's action strategies.

Planning Commission

The Planning Commission makes recommendations to the City Council based on plan principles. The Commission should prepare an Annual Progress Report to ensure plan relevance.

City Management and Staff

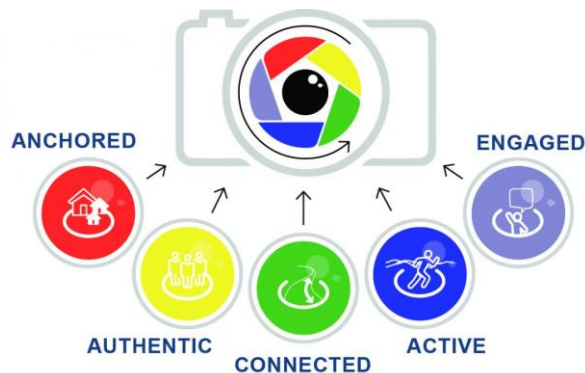

City staff manage the day-to-day implementation of the plan. In particular, City staff are responsible for supporting the City Council, Planning Commission and other City boards/commissions.

Vision Phase Integrated

Vision 2040

From What We Treasure Today ...
... To What We Strive For Going Forward

Guiding Principles

12

UNIFYING VISION AND GUIDING PRINCIPLES

VISION 2040

From What We Treasure Today ...

Littleton will continue to be a hometown community that is widely known and envied as a city with "strong bones." Among the features that earn Littleton this reputation are its historic and vibrant downtown, its light rail transit link to the Denver region, and its distinguishing yet often unseen natural asset, the South Platte River. Along with the highly utilized greenway, trails, and preserves that frame the Platte, residents and visitors also prize the High Line Canal Trail that weaves through the city.

Littleton will especially be held up as the "real thing" when it comes to maintaining a sense of community among its residents and managing the essential physical traits that define community character, neighborhood by distinct neighborhood.

It will remain a place where nature and city living intersect, can both be enjoyed, and are guarded with a fierce sense of stewardship.

... To What We Strive For Going Forward

We recognize that our vision for Littleton's future is framed differently than many communities as we are a largely built-out city. As we focus on managing change amid this reality, we envision a Littleton in 2040 that has:

- Maintained the integrity of its established neighborhoods and historic areas.
- Protected its cherished natural setting in harmony with new development and redevelopment.
- Ensured that reinvestment in the community, whether in Littleton's legacy housing stock or along its commercial corridors, has met local expectations for quality and compatibility with its surroundings.
- Made itself even safer and more accessible for all the ways that people navigate through and within Littleton.
- Achieved a higher standard for cleanliness and burnished its appeal as a place with strikingly beautiful vistas.
- Secured the long-term sustainability of city finances to continue providing its citizens the best in public services.

VALUES

In listening to stories and memories about Littleton, along with residents' desires and concerns for its future, the following values came through consistently. The bulleted items under each are examples of how those expressing such values related them to their own experience of or pride in Littleton. Many communities share common values, issues, and priorities (e.g., to be a safe place). Littleton's core values include a passion for and/or commitment to:

Local History

- Preserve and celebrate it.
- Highlight and tie it to our identity and events
- Origin as own town, rural and later suburban heritage
- Build on accomplishments of past eras and leaders

A Vision is a broad statement of what a community hopes and intends to be in the future. With words and images, it offers a picture of that future to provide inspiration, motivation, and a framework for more detailed planning and decision-making.

14

Safety

- Pedestrian/cyclist/driver safety
- Security from crime
- Child protection

GUIDING PRINCIPLES

Even in the face of potentially significant demographic change ahead, Littleton will remain ANCHORED by a firm belief among its residents and leaders of what makes this a truly special place. These features include Littleton's traditional downtown, established neighborhoods, and the literal "river that runs through it" in the South Platte. Littleton also has a longstanding reputation as a community of choice for quality schools and is home to the Arapahoe Community College main campus. Serving as the Arapahoe County seat, a destination for health care, and a hub for cultural and lifestyle amenities also keeps a consistent conception of Littleton in the minds of residents and visitors. Although stable in these various ways today, Littleton will approach its future with a sense of dynamism, looking to draw upon a culture of innovation and boldness inherited from earlier generations.

Littleton will continue to be AUTHENTIC and comfortable for both residents and guests. The often-cited "small town feel" and sense of community dates to our origin as a "Little Town" separate and apart from Denver. Littleton will continue to stand out in the region for its distinctive identity. Its genuine sense of place will always be contrasted with the look and feel of cities that came along much later or were master planned from scratch. The essential threads that will continue to sustain this community fabric include Littleton's historic character and architectural heritage, its varied neighborhoods and residential options, a robust and service-oriented faith community, and an inviting and safe atmosphere.

Littleton will be an increasingly CONNECTED and accessible place. From a physical and mobility standpoint, it will continue to have regional ties via highways and arterials, transit services, long-distance trails, and the Mary Carter Greenway. Evolving technology and network speeds will link it even more to the nation and world. It will be an inclusive and neighborly community that provides opportunities for youth, seniors, and residents in need to thrive, including through more mobility options. Littleton will also remain a fun and wonderful locale throughout the year, bringing residents together for leisure and volunteer activities, and drawing visitors from near and far.

Littleton will always be a community of ACTIVE people who make the most of their city's cultural and natural resource abundance. It will support its residents' efforts to be fit and maintain a healthy lifestyle. It will embrace their desire to gather for live performances and other local happenings. And it will appreciate and build on the value of a lively downtown. Littleton will always seek to elevate its position as a dream community for outdoor recreation and nature enthusiasts – and a destination for visitors wishing to share in these local amenities.

Littleton will remain ENGAGED and civic-minded in all matters affecting the direction and priorities of city government and the community. Stakeholders will participate in transparent processes and take responsibility for maintaining a respectful and productive dialogue. Meaningful interactions must involve committed elected officials, informed residents, and other partner organizations and agencies interested in Littleton as it is today and will be tomorrow.

Guiding Principles describe the values identified by the community and serve as the foundation for the Vision. The Guiding Principles provide a reference point for Littleton to consider when making decisions. The guiding principles reflect major themes, or areas of focus, for achieving the desired vision that emerged based on analysis of input by stakeholders.

Values identify what matters most to the community and how it wishes to be viewed by others. Our shared values inform the vision.

From Input and Vision ...

"Littleton is a great city to live in. It has a nice small-town feel and great amenities, including parks and local shops."

01

RECREATION, HERITAGE, AND TOURISM

Parks, open space, and recreation facilities are an essential part of a healthy and sustainable community. Parks, work, and school. Much like streets, utilities, and public transit, recreation and parks are integral parts of municipalities – and often among the public's favorite. With its unique history and architectural heritage, appreciation for the arts, abundant open space, and many community events year-round, Littleton offers an array of amenities that appeal to all. All aspects of the Plan shape the livability of Littleton, but this section especially reinforces the enjoyment.

LEGACY OF PAST PLANNING

- City of Littleton Parks, Recreation, and Trails Master Plan, 2016
- South Platte Park Management Plan, 2017
- South Platte River Corridor Vision, Arapahoe County, 2013
- South Suburban Parks and Recreation Master Plan, 2017
- High Line Canal Vision Plan, 2017
- High Line Canal Framework Plan, 2019

KEY ISSUES AND CONSIDERATIONS

- Threats to Littleton's historic legacy and architectural heritage, whether due to economic development or other factors, require preservation methods and tools.
- Concern over development encroachment, both physical and visual, on Littleton's preserved and desired for greater emphasis on the continuity and potential enlargement of linear green community.
- The need for more effective collaboration with partner entities that have responsibility for the elements of Littleton's park and open space inventory (e.g., South Suburban Parks and Recreation Master Plan, etc.) and with the volunteers and entities that make Littleton's eventful community.
- Convenient and safe public access to parks, trails, and greenways within the city, especially separated from these resources by major roadways and other physical barriers.
- Ongoing appreciation and promotion of Littleton Museum and Benes Library as special public assets.
- Littleton's tourism appeal and its approach to accommodating visitors for leisure and business.

FRAMEWORK FOR ACTION

GOALS

- GOAL RHT 1: Preserved and enhanced public green spaces that provide access to nature for recreation and play close to home, and continuous greenway connections within and through the city.
- GOAL RHT 2: Continued protection and promotion of Littleton's heritage, especially where it is tangibly visible in historic architecture, designated districts and landmarks, and distinctive neighborhoods and buildings.
- GOAL RHT 3: A healthy community with convenient access to recreational facilities and programming, outdoor fitness activities, and quality nutrition options.
- GOAL RHT 4: A vibrant city for both residents and visitors, enlivened by an active downtown, an array of cultural and entertainment options both indoor and outdoor, and popular community events and festivals throughout the year.

02

POLICIES

In making decisions that involve public resource allocation, regulatory matters, and physical improvements, among others, Littleton will:

Policy RHT 1: Maintain close and mutually beneficial relationships with the South Suburban Parks and Recreation District, High Line Canal Conservancy, Hudson Gardens, and other key partners that enable Littleton residents and visitors to enjoy a large quantity of high quality recreational assets and public open space.

Policy RHT 2: Continue to build consensus on measures the City should consider and implement to:

- Preserve more areas and structures with historic character, and

- Protect designated and potential new historic districts.

Policy RHT 3: Prioritize public safety, including security while enjoying parks, trails, and community events.

Policy RHT 4: Incorporate guidance and incentives for better design and integration of green and open space into development approaches on sites with potential for recreation and open space.

Policy RHT 5: Continue to plan for, and build as premier public facilities for the enjoyment of the community.

Policy RHT 6: Regularly evaluate the appropriateness and support to cultural arts and community events.

Policy RHT 7: Be sensitive to the perspective of the community in the planning process.

- Develop awareness of the various ways popular locations and events, what they have to offer, and how they spend locally.

ACTIONS

Capital Investments

Action RHT 1: Utilize the project funding portfolio to maximize the leveraging of available objectives of the City and its multiple partners. High Line Canal Conservancy, Hudson Gardens, and other key partners.

Programs and Initiatives

Action RHT 2: Develop an organizational structure and funding pursuits as detailed in the Parks, Recreation, and Trails Master Plan.

Action RHT 3: Improve access to parks and recreation facilities, including media, etc.) to promote awareness of plans, programs, and services.

Action RHT 4: Track visitor utilization of recreation facilities, local, state, and national tourism trends.

Action RHT 5: Continue to promote awareness through Historic Preservation Board activities.

Action RHT 6: Evaluate the potential for dedicated contributions or other fees, as detailed in the Parks, Recreation, and Trails Master Plan.

Action RHT 7: Through the Historic Preservation Board and other forums, continue to build consensus on measures the City should consider and implement – regulatory and/or otherwise – for preserving more areas and structures with distinctive historic value and character, along with ongoing protection of previously designated places and identification of potential new historic districts and landmarks.

Action RHT 8: Continue and enhance collaboration and partnerships with the many agencies, organizations and non-profits that provide and/or advocate for recreation, open space and other amenities in Littleton.

Action RHT 9: Promote the wellness of residents by collaborating with the Tri-County Health Department, other health advocacy and resource organizations and non-profits, Littleton Public Schools, and other partners, and market Littleton's many parks and recreation offerings as essential elements of an active lifestyle.

Action RHT 10: Continue to identify and collaboratively pursue methods to address missing links in the existing local and regional trail systems to improve access and connectivity to jobs, education, fresh food, and health care, among others.

Action RHT 11: Work with partners to promote multi-use trail etiquette, safety and education.

Action RHT 12: Engage volunteers and leverage their involvement to increase awareness, education, and use of park and recreation amenities.

Action RHT 13: Improve coordination of signage and wayfinding at parks, recreation sites, trails, and open space areas, and also within residential neighborhoods and commercial areas.

Action RHT 14: Continue to emphasize regional collaboration as the best means for enhancing the South Platte River corridor as both an environmental and community amenity.

Action RHT 15: Build on planning efforts for the South Platte River Corridor to clarify and integrate goals for this key community asset involving economics, aesthetics, recreation, and the environment.

Action RHT 16: Complete regular updates to the Parks, Recreation and Trails Master Plan, highlight implementation progress and successes – especially through partnership efforts, and continue to communicate Littleton's park, recreation and open space priorities to funding partners.

Action RHT 17: Lay the groundwork for preparing a holistic historic preservation plan and strategy for ongoing preservation efforts in Littleton, involving broad community engagement to gauge resident, property owner and stakeholder sentiment on the methods and extent to which the City should utilize available preservation tools.

- Use the City's initiatives to update its zoning and development regulations and pursue further downtown-focused planning as precursors to a historic preservation plan.

03

Action RHT 7: Through the Historic Preservation Board and other forums, continue to build consensus on measures the City should consider and implement – regulatory and/or otherwise – for preserving more areas and structures with distinctive historic value and character, along with ongoing protection of previously designated places and identification of potential new historic districts and landmarks.

Partnerships and Coordination

Action RHT 8: Continue and enhance collaboration and partnerships with the many agencies, organizations and non-profits that provide and/or advocate for recreation, open space and other amenities in Littleton.

Action RHT 9: Promote the wellness of residents by collaborating with the Tri-County Health Department, other health advocacy and resource organizations and non-profits, Littleton Public Schools, and other partners, and market Littleton's many parks and recreation offerings as essential elements of an active lifestyle.

Action RHT 10: Continue to identify and collaboratively pursue methods to address missing links in the existing local and regional trail systems to improve access and connectivity to jobs, education, fresh food, and health care, among others.

- Improving High Line Canal Trail connections at Broadway is identified as one of seven transformation projects in the High Line Canal Conservancy Framework Plan.

In listening to stories and memories about Littleton, along with residents' desires and concerns for its future, the following values came through consistently. The bulleted items under each are examples of how those expressing such values related them to their own experience of or pride in Littleton. Many communities share common values, issues and priorities (e.g., to be a safe place). Littleton's core values include a passion for and/or commitment to:

Local History

- Preserve and celebrate it.
- Highlight and tie it to our identity and events
- Origin as own town, rural and later suburban heritage
- Build on accomplishments of past eras and leaders

A Vision is a broad statement of what a community hopes and intends to be in the future. With words and images, it offers a picture of that future to provide inspiration, motivation, and a framework for more detailed planning and decision-making.

Safety

- Pedestrian/cyclist/driver safety
- Security from crime
- Child protection

GUIDING PRINCIPLES

Even in the face of potentially significant demographic change ahead, Littleton will remain ANCHORED by a firm belief among its residents and leaders of what makes this a truly special place. These features include Littleton's traditional downtown, established neighborhoods, and the literal "river that runs through it" in the South Platte. Littleton also has a longstanding reputation as a community of choice for quality schools and is home to the Arapahoe Community College main campus. Serving as the Arapahoe County seat, a destination for health care, and a hub for cultural and lifestyle amenities also keeps a consistent conception of Littleton in the minds of residents and visitors. Although stable in these various ways today, Littleton will approach its future with a sense of dynamism, looking to draw upon a culture of innovation and boldness inherited from earlier generations.

Littleton will continue to be AUTHENTIC and comfortable for both residents and guests. The often-cited "small town feel" and sense of community dates to our origin as a "Little Town" separate and apart from Denver. Littleton will continue to stand out in the region for its distinctive identity. Its genuine sense of place will always be contrasted with the look and feel of cities that came along much later or were master planned from scratch. The essential threads that will continue to sustain this community fabric include Littleton's historic character and architectural heritage, its varied neighborhoods and residential options, a robust and service-oriented faith community, and an inviting and safe atmosphere.

Littleton will be an increasingly CONNECTED and accessible place. From a physical and mobility standpoint, it will continue to have regional ties via highways and arterials, transit services, long-distance trails, and the Mary Carter Greenway. Evolving technology and network speeds will link it even more to the nation and world. It will be an inclusive and neighborly community that provides opportunities for youth, seniors, and residents in need to thrive, including through more mobility options. Littleton will also remain a fun and wonderful locale throughout the year, bringing residents together for leisure and volunteer activities, and drawing visitors from near and far.

Littleton will always be a community of ACTIVE people who make the most of their city's cultural and natural resource abundance. It will support its residents' efforts to be fit and maintain a healthy lifestyle. It will embrace their desire to gather for live performances and other local happenings. And it will appreciate and build on the value of a lively downtown. Littleton will always seek to elevate its position as a dream community for outdoor recreation and nature enthusiasts – and a destination for visitors wishing to share in these local amenities.

Littleton will remain ENGAGED and civic-minded in all matters affecting the direction and priorities of city government and the community. Stakeholders will participate in transparent processes and take responsibility for maintaining a respectful and productive dialogue. Meaningful interactions must involve committed elected officials, informed residents, and other partner organizations and agencies interested in Littleton as it is today and will be tomorrow.

Guiding Principles describe the values identified by the community and serve as the foundation for the Vision. The Guiding Principles provide a reference point for Littleton to consider when making decisions. The guiding principles reflect major themes, or areas of focus, for achieving the desired vision that emerged based on analysis of input by stakeholders.

From Input and Vision ...

"East to west connection is an issue for bikes and pedestrians as well as cars. There are significant barriers."

INPUT

CORE VALUE

Safety

Pedestrian /
cyclist / driver
safety

Connected

Littleton will be
an increasingly
connected and
accessible place.

Guiding Principle

... to Plan and ACTION

Recreation, Heritage, and Tourism

Goal TMP 1

Connected:
Connect people
conveniently to the
community, resources,
and opportunities

GOAL

Policy TMP.AT 4

Consider installing an
all ages and abilities
bicycle facility for every
new bicycle project

POLICY

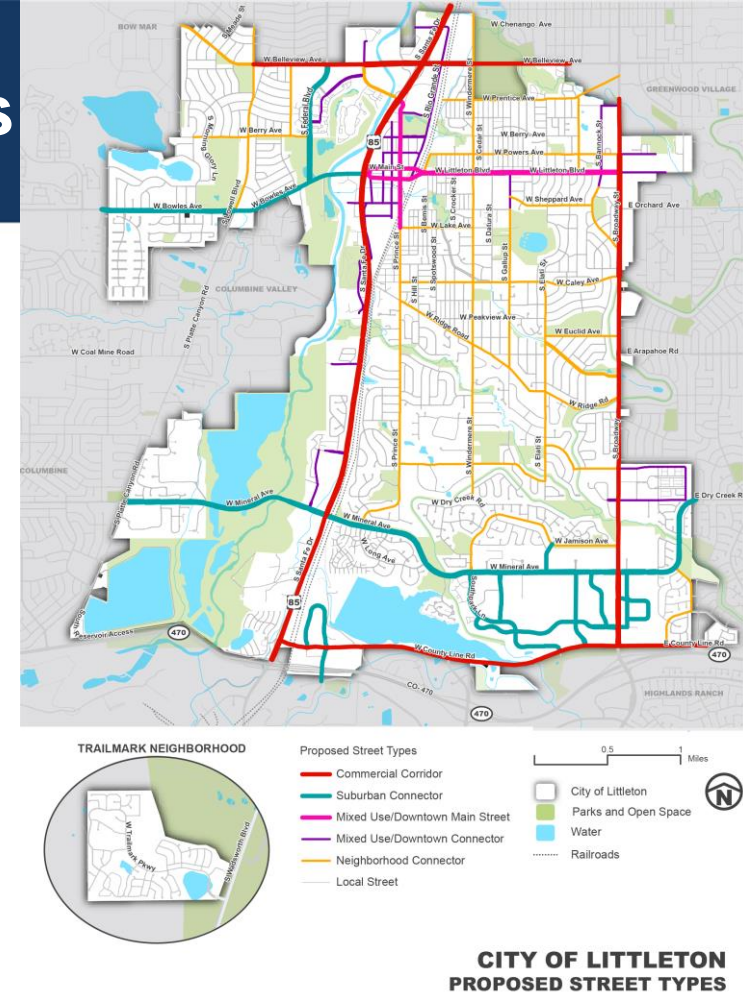

Action TMP.AT 1

Work with South
Platte Working Group
to construct additional
bicycle and pedestrian
crossings of Santa Fe
Drive to the river.

ACTION

Future Complete Street Networks

- Created a context-sensitive street type classification system
- Institute a Level of Service policy for Auto/Freight, Transit, Bicycle, and Pedestrian networks
- Incorporate Overlays to identify which streets should receive special treatments for certain mode priorities
- Identify discrete projects designed to quickly and efficiently build out the complete networks

Critical Corridors

Critical Corridor: Santa Fe Drive (US 85)

Santa Fe Drive is a state and federal highway that has long served as Littleton's connection to the rest of the region. Today, it is a mix of limited access expressway and commercial arterial. It carries a massive amount of traffic through the city and serves not just Littleton's north-south travel needs, but also as a primary route for traffic moving through the City. It will continue to serve this function in the future as a state highway.

The future of Santa Fe Drive is as the City's main north-south auto and freight route. Santa Fe is in that the corridor is flanked on either side by premium transit (LRT) or active transportation (Greenway) facilities. These adjacent multimodal corridors allow Santa Fe Drive to be an auto mover.

STRATEGIES AND PROJECTS:

- Implement near-term operational improvement projects:
 - Alternative intersection at Mineral Avenue
 - Safety and operational improvements at Bowles

Critical Corridor: S Broadway

Broadway currently serves a number of uses. It is the most traveled transit corridor (beside the LRT lines), it serves as a regional automotive and truck route, and it provides direct property access to a mix of general commercial uses and even some single-family residential uses. Broadway is one of the most dangerous places to be as a pedestrian or bicyclist in the City, and its wide footprint and fast speeds mean that those who attempt to cross it are vulnerable to being struck by autos.

STATISTICS:

STRATEGIES AND PROJECTS:

The future of Broadway is as the City's eastern transit boulevard. Because the right-of-way is wide, Broadway is a prime candidate for exclusive transit lanes with Bus Rapid Transit service. Repurposing underutilized road space for transit will allow Broadway to evolve into an asset for Littleton, and will generate economic activity. Broadway has been identified as a Tier 1 BRT corridor by RTD and the City should dedicate resources to working with partner municipalities to take transit.

As the transit vision evolves, other modes, past currently carries as many as 48,000 vehicles amount of congestion.

Sacrificing space for transit vehicles will likely which could include alternative intersection technology.

Special attention must be paid to the residents.

- Specific actions include:
- Partner with RTD, Centennial, and Arapahoe
 - Implement quick action projects to enhance
 - Implement quick action safety projects for p

The Comprehensive Plan envisions Littleton Boulevard transitioning to a mixed use corridor and extension of downtown, while respecting its history.

STATISTICS:

Critical Corridor: Littleton Blvd / Main St / Alamo Dr / Bowles Ave

STRATEGIES AND PROJECTS:

The future of this corridor is as Littleton's Main Street. This corridor is many things to many people, but at its core it is the identity of Littleton. Extending the positive aspects of Downtown Littleton and Main Street to the east along Littleton Boulevard and reconnecting civic uses east of the railroad tracks will bring a better sense of connection with the downtown area and the rest of the community. With Littleton High School anchoring the east end of the corridor, the transformation of Littleton Blvd into a mixed use urban arterial will create a place that generates activity and contributes to the City's prosperity.

The corridor has the potential to serve as a true place, not just a place to move cars.

Specific Actions include:

- Conduct a corridor study that builds upon the foundation in this TMP:
 - Create an access control plan to address redevelopment concerns.
- Implement quick action projects to enhance transit speeds and reliability.
- Implement quick action safety projects for pedestrians, bicyclists, and motorists.
- Advocate for increased transit frequency along the corridor with RTD.
- Enhance bicycle connections to the Powers Avenue bicycle priority street to the north.
- Enhance the pedestrian environment, particularly on the east end.
- Conduct a Downtown Mobility Plan and Streetscape Plan

Next Steps

- Prioritized projects to achieve vision of Complete Networks
 - Implementation plan to provide a road map for those projects
 - Incorporation of comments from the public to ensure that the process is transparent and inclusive
 - Continued outreach
-

Wrap-up

- Upcoming Events
 - August 28 – Telephone Town Hall
 - September 12 – Speaker Series #4 – Peter Kageyama
- What's Next
 - September 10 – Fiscal Impact & Implementation Plan
 - October 8 – Final Review & Comments Incorporated
 - October 14/15 – Recommendation & Adoption
