IGAs must be executed by all parties within 60 days of this award notification. The project start date will be the date that the IGA is fully executed by the County. No grant funds may be expended before this date.

Please notify me if any information in the IGA needs to be corrected. Please do not edit the IGA without prior approval from the County.

Please have the appropriate authority sign the IGA and have one individual attest. A digital copy of the fully executed IGA with Exhibit A will be returned to you for your records. If you need an original for your records, please let me know.
