

Probable cause does not require sufficient evidence to show that a violation occurred. That is the purpose of the show cause hearing. In the probable cause hearing the Authority can consider such things as:

- (1) Direct observations and information of the police officers, either directly or by means of report; and
- (2) Information provided by witnesses and contradictory, incriminating, or evasive information of the licensee and/or its employees; and
- (3) Whether the citation for a criminal charge was made and the evidence in support of such charge.

It is not necessary for the charging officers to directly testify to the evidence. It is sufficient if such information is provided to the Authority in the form of memo or report(s) from the Police Department.

### **CONCLUSIONS AND RECOMMENDATIONS**

Staff recommends that the Authority find that probable cause exists sufficient to set the matter for a show cause hearing with the above referenced incident. The show cause hearing should be set for December 11, 2019, to allow for a preliminary hearing to be held on November 13, 2019, in accordance with the Licensing Authority Guidelines.
