PRESENTATIONS:

Staff Presenter(s): Tiffany Hooten, Finance Director

Additional Presenter(s): N/A

SUMMARY:

In 2015, the city entered into a lease agreement with Motorola Solutions, Inc. for radio equipment for the police, fire, and public works departments. As part of the fire inclusion with South Metro Fire Rescue in 2018, a payment was made towards the portion of this lease related specifically to the fire department equipment. As a result, the subsequent payments were revised and reduced for the remainder of the lease term.

This ordinance is to formally amend the lease purchase agreement with Motorola Solutions, Inc. to reflect the change in the annual payment amounts through the remainder of the lease term.

PRIOR ACTIONS OR DISCUSSIONS:

The lease agreement was originally approved by city council on December 15, 2015, Ord. No. 108.

This ordinance passed on first reading on July 20, 2021.

ANALYSIS:

Staff Analysis

An amendment is necessary to formally approve the change in the annual payment amounts of this radio lease with Motorola Solutions, Inc.

The original lease agreement has been attached as a reference. There is no change to the length of the lease term, only the annual amount of the lease payments.

Council Goal, Objective, and/or Guiding Principle
