THE CITY OF LITTLETON, COLORADO AND THE CITY OF ENGLEWOOD
COLORADO REGARDING THE CITY DITCH PIPING PROJECT (REACH 2 AND
TREE FEES)**

THIS INTERGOVERNMENTAL AGREEMENT ("AGREEMENT") is made and entered into this ___ day of _____, 2026, by and between **CITY OF LITTLETON**, a home rule municipality of the State of Colorado ("Littleton"), and the **CITY OF ENGLEWOOD**, a home rule municipality of the State of Colorado ("Englewood"). Littleton and Englewood are individually referred to herein as "Party" and collectively as the "Parties."

RECITALS

WHEREAS, the Parties are authorized by §29-1-203, C.R.S. as amended, to enter into contracts or agreements for the sharing of costs for any function, service, or facility authorized to each of the cooperating or contracting parties;

WHEREAS, §29-1-203, C.R.S. as amended, clearly articulates and affirmatively expresses a state policy that authorizes political subdivisions of the State of Colorado to cooperate and contract to make the most efficient and effective use of their respective resources;

WHEREAS, Englewood has undertaken a project to enclose portions of its raw water supply (the "City Ditch") between Chatfield Reservoir and the Allen Water Treatment Plant and relocate it to a new alignment;

WHEREAS, the project involves converting four designated reaches of the City Ditch to enclosed pipe, including:

- (Reach 1) McLellan Pump Station to Mineral Avenue
- (Reach 2) Linhart Lake to Littleton Cemetery
- (Reach 3) Slaughterhouse Gulch Park to Belleview Avenue
- (Reach 4) Belleview Park area;

WHEREAS, this Agreement pertains to the Parties' obligations and responsibilities related to Reach 2 (the "Project");

WHEREAS, to accommodate the ongoing redesign of the Rangeview Gulch stormwater system, Reach 2 is being divided into two phases: Reach 2A, extending north from a new manhole on Archdiocese Of Denver Pastor St Mary's Catholic Church (St. Mary's) property to Ridge Road, and Reach 2B, extending south from that same manhole to include the Linhart Lake area;

WHEREAS, this Agreement is for Reach 2A construction;

WHEREAS, the Parties acknowledge that three existing stormwater inlets currently discharge into Englewood's City Ditch within Reach 2 (from S. Prince Street, an overflow from the detention pond on St. Mary's property, and the Rangeview Gulch stormwater floodway inlet

near Linhart Lake), and that such existing inflows will continue to flow into the existing ditch channel and pipe following construction of Reach 2A, but that these stormwater flows will be redirected as part of Reach 2B construction;

WHEREAS, to accommodate the new City Ditch alignment for Reach 2, the Parties have, by separate agreement, entered into a Relinquishment and Grant of Easements (City Ditch) (the "Easement") to provide Englewood with easement rights for the new alignment as well as to relinquish easement rights to Littleton for areas of the existing areas of City Ditch that are to be abandoned by Englewood as a result of the new alignment;

WHEREAS, Englewood will be the fiscal agent for the Project, managing the work performed, in consultation with Littleton; and

WHEREAS, the Parties desire to enter into this Agreement to address the Parties' participation in and financial contributions toward the Project.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein and for other good and valuable consideration, which the Parties agree is sufficient, it is hereby agreed that:

AGREEMENT

2. **Term**. This AGREEMENT shall be effective on the date of execution by both Parties, ("Effective Date") and terminate upon completion of the project or on a date prior as agreed to in writing by the Parties.

3. **Englewood Obligations**. Englewood shall be responsible for the following:

(b) Management and construction of the Project, including selection of and directions to the Contractor.

The Littleton Representative will be invited to all preconstruction meetings and coordination meetings with the Contractor.

If Littleton wishes to remove the flume with the project, Littleton will notify Englewood no later than June 2, 2026. In lieu of removal by Englewood, Littleton may request, and Englewood shall provide, funding, in an amount not to exceed the estimated demolition cost of **eighty-three thousand five hundred and 00/100 Dollars (\$83,500)**, toward Littleton's restoration, rehabilitation, reuse, stabilization, or other disposition of the flume as determined by Littleton.
